

# This Month's Blog

🚤 What a fantastic month it's been at Pagham Yacht Club! 🚤

May has been full of energy both on and off the water, with members making the most of every opportunity to sail, race, cruise or simply enjoy time afloat. It's been brilliant to see boats out and so many people getting involved - weather dependant over the month!

From Friday nights with Keiths Play Your Cards Right, to The UpBeat Band, winch training, organised club walk, Italian and County Western theme nights (you voted we listened).

We also had Caroles raffles, we welcomed Shearwaters to the club. Sailing races - Fishing charters. Phew - what a month!

💡 None of this would happen without the enthusiasm and dedication of our volunteers. Whether you've run a bar shift, collected glasses, helped in the galley, organised an event or simply turned up with a smile and a willingness to join in, you are the reason this club thrives. Thank you.

🎯 June looks like a busy month with Keiths Friday Play your cards right every Friday, Paddlers or darts every Wednesday (weather permitting) Sams Pizza every other Wed next one will take place on the 17th June. (orders for this has have now been filled and closed).

🎣 Angling charter on the 14th June, World cup matches/sweepstake, Angies Party and the Smileys visiting us on the 20th June. Southern Water presentation on the 24th June 7pm, Caroles Raffle every Sunday, Live Music with Louise on the 27th plus sailing and fishing matches in between!

📅 With all this going on, please remember we're still looking for new bar volunteers — it's fun, sociable and a great way to get involved.

We're also making improvements around the clubhouse for our members - a new digital social board will soon display committee contacts, first aiders and upcoming events. A second screen by the bar will show ABV percentages, promotions and the full price list.

GOOD FRIENDS  
GREAT TIMES

One last thing....we're looking for volunteers to take part in an audition video for BBC DIY SOS, please can you arrive at the club Saturday 13th June 12:00 if you want to be in it!

Here's to more sailing, paddling, walking, socialising and memory-making in the weeks ahead.

Fair winds and following seas,

*The Committee*
