🚤 Pagham Yacht Club – Weekend Round Up 🚤

Another fantastic weekend at Pagham Yacht Club, packed with games, sport, celebrations and a great show of club spirit. It's always wonderful to see members supporting events across all sections of the club.

📅 Friday – Play Your Cards Right & Celebrations

Friday night saw Charles take the win at Play Your Cards Right, expertly hosted by Keith. With nerves of steel and a bit of luck, he made the right calls and walked away the winner.

We also celebrated Tracy Austin on Friday evening, making it an extra special night at the club. A lovely atmosphere, plenty of smiles and a well-deserved celebration.

🍷 Saturday – Rugby

Saturday brought members together once again for the rugby. The clubhouse was buzzing with lively debate, cheers at the big moments and the usual expert analysis from the bar!

🎣 Sunday – Fishing Match

Sunday saw our latest Fishing Match, with a great turnout and plenty of determination despite the winter conditions.

Angling Beach Match #4 with 10 Anglers braving the storm. There were 33 fish caught with some monster bait worms/snakes and released worth 1121 points. Congratulations to Peter Warren taking 1st place with 8 fish worth 332 points, Jim Ellis taking 2nd place with 6 fish worth 210 points and Robert Ellis taking 3rd place with 175 points and Roy Stout 4th place with 111 points. We were also blessed with a visit and participation of the Clubs Commodore who placed 7th with 3 fish worth 49 points, he mentioned he let the big fish take his bait so he didn't upstage the Angling Team??? It was especially fantastic to see Oscar, our youth member, joining in — brilliant to see the next generation getting involved and enjoying the sport.

For your Diary. **Next match March 8th 10:30-3:30 pm high tide 2:25pm at 4.5 meters**

Well done Pete! 🍷 P.S when you see Pete, ask about his Wellies!

🔪 Sunday – Carole’s Raffle

Sunday afternoon also brought Carole’s Raffle, and it proved to be a lucky day for the Ladies. Carole, we missed you — hope you’re feeling much better very soon.

🚤 Sailing Update

The sailing season officially begins in April, and preparations are already underway. It won’t be long before the slipway is busy again and sails are up on the water.

We’re pleased to confirm that our RYA First Aid course is booked, ensuring members are trained, confident and prepared for a safe and successful season ahead.

🎯 Darts

Darts continues every Wednesday evening, with members warming up their skills and enjoying some friendly competition. All abilities welcome — come along and join in.

🕯 Bar Notice

A polite reminder to please remain vigilant and watch out for fake notes when using cash in the bar. If you’re unsure about any note, please speak to a member of the bar team. Thank you for helping us protect the club.

The Bar Committee have now printed clear instructions on how to change a barrel, which are available behind the bar for guidance. A short demonstration video will also be tagged in the Bar Rota WhatsApp group to support everyone on duty.
